First "Narberth Day" Proves Highly Successful Venture

Borough Residents of All Ages Enjoyed Community Celebration of the Fourth; Winners of Numerous Contests Listed

The people of Narberth observed the Fourth of July with a celebration which should go down in the Borough's history as an outstanding example of community cooperation. Even the weatherman helped with a perfect day.

From the Flag raising ceremony in the morning till the last dance on Windsor av. late in the evening, men, women and children had a thoroughly good time.

Well over a thousand people thronged the Community playground to participate in the sports events, enter or watch the baby show, pet show and hobby show, enjoy the puppet show presented by Mrs. John E. Flynn in the Community Building, cheer for the home team in the Narberth-Brookline baseball game and buy lunches and soft drinks at the attractive booths where they were sold by the women of the Borough, under the direction of Mrs. Eberhardt Mueller.

Mrs. Mueller stayed at the field all day, assisted by Mrs. John Wetzel, who acted as treasurer. Walter G. Case, president of the Narberth Business Council, who was in charge of the day's plans, was also on duty all day, managing the sports events, keeping everyone up to date on the scores and announcements over the public address system and in general keeping things in good running order.

A feature of the day which attracted much favorable attention was the tent set up on the grounds by the Narberth Volunteer Medical Service Corps, which in the early evening gave a masterful demonstration of their work.

Noteworthy, with all the activities of the day, was the fact that there were no casualties of any kind — not even a bumped knee to be bandaged.

Tired from their busy day, many of the children went home after the ball game, but the young people and adults spent a pleasant evening watching the outdoor moving pictures, listening to the band concert and dancing on Windsor av. The evening portion of the program was arranged by the Harold D. Speakman Post of the American Legion, Burns F. Best, Commander.

Everywhere about the field during the day were the Girl Scouts of Narberth, assisting wherever they were needed. Before the program started, the Scouts, under their leader, Mrs. Samuel H. P. Read, responded to a rush call for assistance in finishing the sandwiches and made 75 in short order.

Field Day Winners

Winners in the sports events were as follows:

Girls 10 to 12 years: Sack race—Kathryn Sweeney, first; Ruth White, second; Janice Manion third. Dash—Patty Ridge, first; Jean McAdoo, second; Ruth White, third. Low Blow Balloon race—Patty Ridge, first; Barbara Frank, second; Margaret Robb, third. Spoon and Marble race — Kathryn Sweeney, first; Barbara Frank, second; Regina Deal, third. Shoe race—Julia Marcozzi, first; Patty Lacy, second; Rosemary Gorman third. Handicap

Winners in Shows

In the Baby Contest, for children two to five years old, three children tied for first place. They were Barbara Shepherd, Carol Ann Kuefler and Browning Newman. Judges were Dr. J. W. Welty and Dr. Munro Purse. The event was managed by Mrs. Herbert Egmore, chairman, assisted by Mrs. Franklin Hutchinson, Mrs. Munro Purse and the Red Cross First Aid Unit.

Bonnie Boardman won first prize for the best patriotic costume, with Flora Susanne Dibelka taking second. Barbara Yowell's old-fashioned

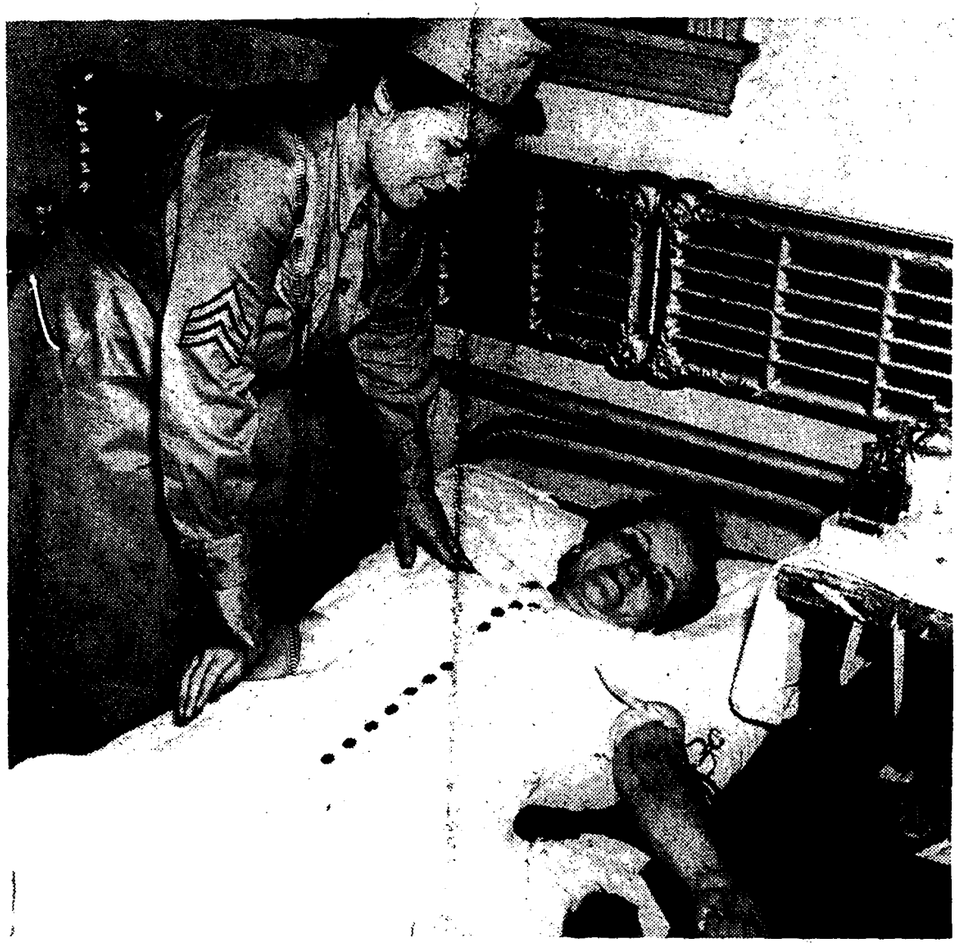
Smiling Proof It Doesn't Hurt



When this picture was taken the blood was passing from the donor's arm into the container. She is Mrs. Henry T. MacNeill, 119 Elmwood av., Narberth, mother of a family of five all of whom donated a pint of blood on the same day...and that day was Mr. MacNeill's birthday. Taking Mrs. MacNeill's pulse is Mrs. Robert A. Gold, sergeant in Narberth's Volunteer Medical Corps and chairman of the blood donation committee.

Town Meeting This Friday Night

The community spirit of Narberth, as well as its ability along the lines of patriotic endeavor is challenged by the Navy Relief Fund benefit baseball game to be held on July 17 at the Borough diamond between the U. S. Marines and the Main Line League All-Stars.

The choice of Narberth as the site of the game is considered an honor, and it is up to the residents of the Borough to see that the sale of tickets for the game produces a respectable contribution for the Navy Relief Fund.

In order to further the ticket sale, a town meeting will be held this Friday at 8.30 p.m. in the Legion Room of the Community Building, when members of the Borough's patriotic and defense organizations are particularly urged to be present.

Francis S. Challenger, chairman of the Defense Council, will preside at the rally, and representatives of the following groups are expected to attend:

The Penn Valley-Narberth Branch of the Navy League; the Red Cross, the Air Raid Wardens; the Harold D. Speakman Post, American Legion, the Speakman Auxiliary; the Volunteer Medical Service Corps, the Auxiliary Police and the Auxiliary Firemen.

Come to the meeting! Take home more tickets than you think you can possibly sell. Then sell them and come back for more!

Nearly 100 Donate Blood When Red Cross Unit Visits Narberth

18 of V.M.S.C., Sponsors, Contribute; Donors Listed

The visit of a Red Cross mobile unit to Narberth on Monday was an unqualified success, with nearly 100 men and women donating blood for the organization's wartime blood bank.

The moblie unit was set up in the firemen's room at Elm Hall, and the doctors and nurses of the unit were assisted by several Gray Ladies. Refreshments were served by members of the Narberth Red Cross canteen.

Fire Company Directors Hold Monthly Meeting

Fire Chief Albert H. Nulty had only five fires to report for June at the monthly meeting of the board of directors of the Narberth Fire Company on Monday night.

William Durbin, vice-president of the Company, presided at the meeting which was held in the Fire House.

The directors approved bills for payment and transacted other routine business.

Peter Stam, 3d, Ordained Sunday

Former Narberth Man Plans Work in African Mission Field

Peter Stam, 3d, formerly of Rockland av., Narberth, was ordained at the Sunday morning service of the Wheaton Bible Church, Wheaton, Illinois. The Rev. J. C. Macaulay pastor of the church, preached the ordination sermon.

Mr. Stam expects eventually to go to the mission field, probably Africa, but for the coming year has been elected general secretary of the Foreign Missions Fellowship, a student missionary movement with headquarters in Philadelphia. He is engaged this summer in an itinerary of meetings at various churches and conferences with the F. M. F. quartet.

A graduate of Narberth Public School and Lower Merion High School, Stam transferred to Wheaton in 1934, when his father, Peter Stam, Jr., former organist at the Narberth Presbyterian Church, became Executive Director of the Conservatory of Music at Wheaton College. He was graduated from that College in 1939, continued there for a year as graduate student in Theology, transferring then to Faith Seminary, Wilmington, Delaware from which institution he received his Bachelor of Divinity Degree a few weeks ago.

Funeral services were held in New Kingstown on Wednesday.

Mrs. Howard is survived by her son, William S. Howard, of Narberth; another son, Daniel B. Howard, and a daughter, Mrs. James H Putt, both of New Kingstown.

2300 Boy Scouts Sign For Delmont

List of Improvements Are Explained by Rex Gary

More than 2,300 Boy Scouts of the Valley Forge Council, comprising the area of Delaware and Montgomery Counties have already registered for Summer camp at Delmont, located at Sumneytown, announced Rex I. Gary, Scout Executive.

Transportation will be no problem for the Scouts of the suburban districts, since all the Scouts will use already existing carriers operating in Delaware and Montgomery, Counties, unloading at North Wales, where all Scouts will be taken in chartered buses to Camp Delmont, from yesterday to August 23.

The registration is far ahead of any previous year announced several Council officials The Summer camp has been enlarged to accommodate 500 campers a week. One hundred and seventy acres has been added to the main reservation. Scores of new tents and equipment has been secured to make this year a most successful one for the Scouts.

During the last year improvements have been made to a new 50-foot National Rifle Association range, enlargement made to the camp kitchen, camp hospital completely renovated, several new camp sites for lone troop camping and other features to make every boy's stay a real life experience.

Nurse Shortage At State Hospital

McConnell Says Many Nurses and Men Are In the Service

The Norristown State Hospital is operating 200 short of its regular personnel, according to figures released this week by Arthur P. Nyes, the superintendent.

"Normally," said Noyes, "we employ 700 persons of which 500 are nurses and attendants. Today we need more than 200 nurses and attendants to bring our personnel to normal.

Samuel K. McConnell, Jr., Penn Wynne, is chairman of the Norristown State Hospital board of trustees.

In explaining the shortage Mr. McConnell said that many of the nurses and men had gone into the service while others had accepted more lucrative positions in war plants.

Similar conditions exist in other State institutions.

Questionnaires prepared by Leroy C. Schaeffer, supervisor of research and statistics in the Welfare Department, showed that of 165 hospitals reporting, 18 (11 per cent) have three-fourths or less of their normal graduate nurse staff. Of 73 hospitals which normally have one or more internes, 16 (22 per cent) now have half or less of their staffs. Eleven hospitals which had one or more resident doctors now have none.

A ROTARIAN HANDCLASP

New officers were installed Monday night when members of the Bala-Cynwyd-Narberth Rotary Club held a dinner meeting and ladies' night at the Overbrook Golf Club.

Dr. Richard C. Mears, on the left, who is outgoing president, is shaking hands with the Club's new president, Dr. . Munro Purse, just after he took over the gavel.

Mrs. Dwyer Injured In Fall From Porch

Mrs. Dwyer broke her ankle when she slipped and fell from the front porch of her home on Sunday afternoon.

Narberth Home Sold

Nash Realty Co. reports the sale of 222 Wayne av., Narberth, for Mr. and Mrs. Arthur G. Follette to a client of William T. Sheppard. The property was held for sale at $5,500.

Five-Team Battle In Montdel League

St. Thomas Tossers And St. Laurence Score Upsets

Two second-division teams reached up to create confusion in the Montdel League as the race settled into a five-team battle for positions. The unpredictable St. Thomas nine, from Villanova, turned in its second upset victory Thursday when Bill Roger's team spilled the Our Mother of Good Counsel rival from Bryn Mawr, 2-1 at Garrett Hill, while St. Laurence, of Highland Park, rallied in the late innings to pull down the first place St. Margarets team 5-4 at Narberth Sunday.

Annunciation also figured in the proceedings when the Brookline club pulled into a virtual tie with St. Margarets for first place by homering its way to a 2-1 triumph at the expense of St. Denis, Oakmont, at Ardmore on Monday night.

Sacred Heart, of Manoa, turned in another surprise when it mangled St. Thomas 12-1 at Manoa, also on Monday night. The fact that Sacred Heart won was no surprise but the beating was the worst suffered by the Tommies this year.

St. Colman, of Ardmore, and Good Counsel clashed Sunday at Ardmore in the first double-header of the league season, with Good Counsel sweeping both games. Mickey Gavin's club won the first 4-0, captured the second by a 4-2 count. The game between Annunciation and St. Laurence, scheduled for Thursday, was postponed due to rain, as was the affair between St Margarets and St. Denis.

This second game was played off on Friday at Narberth, with St. Margarets gaining a 2-0 win.

One of the most exciting games of the season was that between St Margarets and St. Laurence Sunday at Narberth. For five innings Bob Tabor checked the Laurentians without a hit. His mates put together a walk, a hit, an error and a wild pitch for a pair of runs to hold a 2-0 lead and seemed on their way to a win.

However St. Laurence came ripping back with a rally that was climaxed by pitcher Jim McCabe's single to right behind hits by Frank Cornely and Charlie Gilligan to knot the count. Narberth slashed

War Department Wants Recruits

Intensive Drive Necessitated by Urgent Requirements

One of the most intensive recruiting drives since Pearl Harbor has been started by the Philadelphia Recruiting District on instructions from the War Department, according to an announcement by Lt Colonel Frederick Schoenfeld, commanding officer.

Colonel Schoenfeld authorized the quotation of part of a telegram received from the Third Corps area which stated that the drive for men between the ages of 20 to 44, inclusive, in addition to 18 and 19-year-olds, was made necessary because of "unforeseen need" for additional manpower during July and August He declared that the communication was marked "urgent."

"This drive has been ordered despite the Draft," Colonel Schoenfeld said. "The normal procedure of Selective Service apparently was adequate for ordinary requirements, but this summer has produced circumstances which call for thousands of additional men who can be recruited speedily and sent to camp for processing. The Recruiting Service is prepared to do such a job."

Colonel Schoenfeld reported a steady daily increase in enlistments since June 15. He added that more than six months after Pearl Harbor, the Philadelphia Recruiting Station in Custom House in that city was handling more than 75 voluntary enlistments a day. Substations of the district were just as busy, he said.

Reappoint Griswold As Assessor

Reappointment of E. C. Griswold, 1 Chestnut av., Narberth, as real estate assessor of the Borough was announced this week.

The appointment was announced by the Montgomery County Board for the Revision of Tax Assessments consisting of Norman Zendt, Samuel M. Wilson and W. Ivan Simpson, Merion commissioner, who was recently appointed to the post.

Need Volunteers For Control Center "Dog Watch"; Where's Your Chivalry, Men? The Ladies are Willing

For the want of a few more volunteers, Narberth may have to abandon its plan for a 24-hour watch at the control center in the Narberth Community Building.

"We are going to hold the volunteer list open another week and then if we are still short of the required list other arrangements will have to be made," explained Henry Sparks, vice-chairman of the Defense Council.

Sparks said that 115 persons had volunteered to date but more men volunteers were needed for the "dog watch" from 12 midnight to 6 a. m

It is understood that a relay telephone system will be set up providing it proves impossible to obtain the volunteers. This system, most defense officials say, will cause considerable delay in transmitting emergency calls and may seriously jeopardize the safety of the people if a real air raid occurs.

If defense officials considered it advisable the "dog watch" in the control center at the Community Building on Windsor av. could be manned by women. It is understood that several have volunteered for duty during the early morning hours but local defense officials are in hopes that a sufficient number of men will respond to the call.

"Although other cities have encountered the same difficulties," said Sparks, "we expected a different response from our Narberth neighbors."

In a canvass of the Borough to obtain volunteers Sparks said there was an "appalling apathy" about the realities of war. Within the last week or so Sparks said he had unsuccessfully called from 350 to 400 people.

"You wouldn't believe it," said Sparks, "but one man asked me how I dared to call him up and suggest something like that."

He said that a number of air raid wardens attempting the same thing had received "plenty of rebuffs."

Frederick Morhard To Wed N. Y. Woman

Plans of Frederick M. Morhard of Narberth to wed a Staten Island N. Y., woman were revealed this week when a marriage license was issued in Norristown.

The woman is Clementine Schneider, who gave her age as 49 years. Morhard is 71 and lives at 530 Brookhurst av.

Mr. Morhard's first wife died May 19, 1941, and Mrs. Schneider's first husband died June 19, 1941.

Fourth of July Committees to Meet

Chairmen of the women's committees of the Narberth Day celebration held last Saturday will meet this Friday at 10.30 a. m. at the home of Mrs. Eberhardt Mueller, 208 Essex av., to turn in their reports.

C. Donald Woodwards Move In To Remodelled Methodist Church

The old Methodist Church, at the corner of Price and Essex avs., Narberth, has become a home—and a charming one—after standing idle for 12 years.

A few months ago, Mr. and Mrs C. Donald Woodward, then of the Montgomery Court Apts., Narberth, purchased the property and started to remodel the basement—what was formerly the Sunday School—into a modern apartment. This is the floor which opens on Price av.; the upper floor, formerly the church, they plan to modernize later.

The Woodwards, with their son, Don Peirce Woodward, four years old, and their daughter, Bonnie, six months, moved in a few days ago. The new apartment consists of three bedrooms, a living room, playroom, bath, kitchen, laundry, furnace room and room for the oil tank. They installed oil heat.

In planning the renovizing of the old church, Mr. Woodward, who is landscape engineer with the Montgomery County Park Board, was assisted by S. Kendrick Lichty, Ardmore architect.

The building was built in 1895, the first Methodist Church in the Borough. It was the second attempt, the building which was started in October, 1892, having been completely destroyed by fire when it was nearly finished in December, 1893.

Th Methodist congregation of Narberth used the church for 35 years until the present church building on the opposite corner was built in 1930.

CIVILIAN DEFENSE INFORMATION

LET THE NAVY BORROW YOUR BINOCULARS FOR THE DURATION

Even if you can't go to sea and send depth charges booming down around a U-boat — you can help!

Your binoculars, with keen Navy eyes behind them, can spy a submarine and see to it that there is one less marauder to murder helpless seamen and sink vital supplies.

Your binoculars can play an important part in averting defeat and bringing victory nearer if they happen to be the makes and sizes the Navy needs: Either 6 x 30 or 7 x 50, made by Bausch & Lomb or Zeiss. The 6 x 30 means six-power magnification and a front lens 30 millimeters (about an inch and a fifth) across. The 7 x 50 means seven-power and 50 millimeters (about two inches) across.

Persons whose binoculars meet requirements and who wish to lend them to the Navy are requested to tag them with the owner's name and address, pack them carefully and ship to: The Naval Observatory, Washington, D. C. If your binoculars are not in good working order, or if they are approximately but not exactly up to Navy specifications, do not ship them. Instead, write a letter to the Naval Observatory, giving manufacture, type, power and objective opening (front lens measurement) of binoculars and stating what repairs, if any, are needed to put them in good condition. Such binoculars will be called for if and when needed.

As the Navy is not authorized to accept gifts or free loans, all binoculars it accepts will be "purchased" for $1.00 each. If still in use at the end of the war, they will be returned to the owners and the $1.00 will constitute a rental and depreciation fee.

All binoculars accepted are engraved with the donor's name and a special serial number to identify them. They are then issued immediately to naval vessels and the commanding officers are requested to notify the donors of the names of the ships aboard which their binoculars are "serving in the Navy."

Three First Division Teams Dominate All-Star Squad

A last minute deluge of ballots from local fans nominated a squad of 20 players to represent the Main Line Baseball League in two all-

THE ALL-STAR SQUAD:

A poll of fans, managers and sports writers nominated the following players to represent

[illegible] Baker, Manoa, P

tingham, Overbrook.

OUTFIELDERS: Boyle, Riley, Manoa; Fox, R. Herrmann, Narberth; Crompton, Gladwyne.

CATCHERS: Vliet, Gladwyne; Gwynne, Manoa; O'Neill, Brookline.

PITCHERS: O'Donnell and Persutti, Gladwyne; Cantwell and Allison, Manoa.

the Philadelphia Navy Yard next Friday, July 17 at Narberth and the soldiers from Fort Dix, N. J., at Manoa on Tuesday, July 28.

Six Manoa players were voted places on the squad. Gladwyne and Narberth contributed five each, the Collegians two and Brookline and Overbrook one each.

No player was an unanimous choice, but Buddy Walker, veteran Narberth first baseman, and Bill O'Donnell, of Gladwyne who won the 1941 pitching crown, just missed by one vote of achieving this distinction. The next most popular choice was Walt Cantwell who has won four straight games on the mound since joining Manoa a month ago.

Others who polled heavy votes were Joey Burns, Narberth third baseman, and Ollie Boyle, Manoa outfielder. Milt Vliet, of Gladwyne and Allie Gwynn, of Manoa, were about an even choice for catcher with Vliet polling just one more vote than his Manoa rival. Frank O'Neill, youthful Brookline receiver, also had lots of backers and won a spot on the squad without difficulty.

Most divided opinion was over second base and shortstop, exactly 12 different players drawing votes for these positions. George Myers, Gladwyne; Pooch Serra, Narberth; and Jack Rosenfeld, Collegians, were almost on even terms in the second base poll. Dick Baker, Manoa, was first choice for shortstop by a few votes over Fred Brittingham, Overbrook, and Joe Blong, Collegians.

Boyle, Harry Fox, of Narberth, who, incidentally, is awaiting a call to report for duty with the U. S. Marines, and Yitz Crompton, Gladwyne, topped the vote for outfielders.

Almost everyone voted for O'Donnell and Cantwell for pitchers. Bob Allison, Manoa, and Ray Persutti, Gladwyne, were the only other hurlers to poll more than one vote.

Walter Hanley, president of the league, announced yesterday that Managers Eddie Hare, Brookline; Jimmy Keyes, Gladwyne; Joe Irvin, Collegians; and Al Mueller, Overbrook, will serve as coaches for the two games. Gene Davis, Narberth, and Frank Matthews, Manoa, were named managers of the all-star team a week ago.

At the Naval academy rubber heels and low shoes were a first class privilege three years ago, but today they are worn by all midshipmen.

Red Cross Volunteers Apply First Aid Lessons

Red Cross Heroines on the Home Front

Not all Red Cross heroines need a battlefront to show their mettle.

Mrs. E. H. Uldrich, 319 Woodley rd., Merion, was on the Canadian Steamship Line traveling from Montreal to Quebec on June 20, when a man named Rene St. Jean, from St. Jean, Quebec, fell and cut the artery of his left wrist. Mrs. Uldrich, an advanced First Aid Graduate applied pressure points and tourniquet from midnight to four a.m. No doctors or nurses were on board. The man was taken to the Quebec Hospital and is recovering nicely.

Mrs. John Knox of Haverford and Mrs. Sarah Shore, both of the Motor Corps of the Main Line Red Cross, were on duty as drivers of ambulances last Monday when the car in front of them was hit by a car belonging to a convoy. The car turned over three times, throwing out a couple and child who were the occupants. Mrs. Knox and Mrs. Shore immediately administered First Aid.

Two Teachers to Be Inducted into Service

Two more instructors of the Lower Merion School District received their final examination for induction into military service this week.

They are Frank Bernard Coffman, former Lower Merion High School athlete who has been teaching German and history at the Bala-Cynwyd Junior High School and also coaching wrestling, football and baseball, and Thomas Edward Ryder, art instructor.

They are being inducted from Montgomery County Draft Board 3 with headquarters in Narberth.

A fine of $5 and $6 costs was assessed Vollmer's Chicken Specialty Store, 2 Athens av., Ardmore.

W. Norman McMullin, 637 Montgomery av., Haverford, was fined $5 and $6 costs.

Charges were dismissed against the Ardmore Hand Laundry, 53 Cricket av., Ardmore; K. R. Dorrier, Harrington and Pennstone rds., Bryn Mawr; C. E. Walsh, 723 S Latches lane, Merion; and the Montgomery County Day School, Penn Valley.

Hearings against Christ Tashous, who rented a restaurant at 112 W. Lancaster av., Ardmore, and Mrs. Rebecca Felton, 462 W. Montgomery av., Haverford, were postponed.

Detective to Resign From Police Force

Charles "Hank" O'Donnell expects to resign this week as detective of the Lower Merion Township Police Department. He lives at 209 Park Terrace, Ardmore.

O'Donnell is planning to enter the U. S. Army Air Corps.

Prior to being appointed detective he served for many years as a patrolman.

THE SPECTATOR

Narberth's first venture with an all-day-long observance of Independence Day proved all to the good and the conviction was unanimous that the idea should be adopted as an annual custom.

The early morning rain had soaked the parched earth and that made it fresh and redolent when the throngs came to invest the playground until midnight spelled the curfew of the day's doings.

In the morning the children held forth, hundreds of them, engaging in contests no-end, a smart program arranged by Walter G. Case president of the Business Council.

The rewards were war-stamps, the Fourth of July Committee providing the funds which enabled many scores of them to be distributed, a dollar stamp for the victor, 75 cents for second place and 50 cents for third place.

Similar recognition was also given those who excelled in the Pet Show and the Hobby display, both exhibits having their unique features, and both suggesting how much more can be done along the same lines in succeeding years.

The country-fair aspect was also to be discerned, with roosters and rabbits making their bid for priority in competition with dogs of every good breed (and none at all) and cats which seemed to be utterly indifferent to the propinquity of their canine adversaries.

The Hobby Show was conducted indoors and comprised attractive personal collections of various things which had been gathered far and wide, as well as individual handiworks which had many points to commend them. Next year there are bound to be more such exhibits, as the borough is full of people who chase hobbies, and this yearly affair will afford a neighborly opportunity for them to show their stuff and to compete for prizes.

In the afternoon, there was a ball game and in the evening, under the direction of the American Legion, there were movies of patriotic subjects and also a band concert.

The movies were good, almost good enough to offset the extreme shortcomings of the band.

Before the movies got underway, the Narberth Volunteer Medical Corps, an auxiliary of the local defense plans, gave an impressive show of what their procedure would be if the Boche bombers came to the borough. Their capable maneuvers made many eyes pop and afforded substantial evidence that this business of local preparedness is no casual nor makeshift thing, but quite a technical matter of

[illegible] Wilson

their clever dress suits, were hand as well-disposed police and that surely was an apropos aid to the many merits of the affair.

Mrs. Eberhardt Mueller proved again that she knows how to achieve a finished job of coordination, as it was her work which brought the women of the various churches and organizations to the grounds with well-laden tables of things to eat and drink, with each of them reporting a fruitful day, as follows:

The Junior Community Club sold potato salad; the P.T.A. dispensed ice-cream; the Kings' Daughters ladies of the Presbyterian Church; the group from the Methodist Church had toothsome deviled eggs; St. Margaret's table showed splendid skill in serving soft drinks; the Lutheran Church held forth on candies, many of them deftly homemade; the Narberth Volunteer Emergency Relief had attractive cookies and pretzels; the Women's Community Club and St. Andrew's Sunday School made contributions of money and materials; the Girl Scouts collected coat-hangers which they had a way of converting into cash for the benefit of the general fund, said fund (proceeds from all the tables) to be used as the war-chest for succeeding years.

The American Legion Auxiliary, under the leadership of Mrs. James A. McCaffrey, continuing their practice of last year, sold nearly a hundred dollars' worth of lemonade and lemons-on-sticks, and as most of their supplies were donated, it was said the net profit was more than $80, a comfortable cushion for the Auxiliary's general community service.

In every way, the observance was a memorable occasion and the thousands of residents and visitors who milled over the field from morning to night seemed to be of one accord in acclaiming the Borough's foresight in providing a beautiful field of excellent dimensions for public use of this kind and also for the large contribution it made to youth welfare the whole year round.

Also it was universally agreed that the logical scheme of things will not be complete until a swimming pool is provided, particularly in view of Narberth's unique ability to easily overcome the usual objections to a public swimming place, said usual objections not being held by everybody to be sound, tenable nor in keeping with that charity which Americans are presumed to observe.

J. P. McClure Dies At Manoa Home

J. Paul McClure, son of Mrs. Eva V. Allison, 4 Columbus av., Manoa, died at his home Saturday. Funeral services were held Wednesday afternoon from the funeral home of John P. Donohue & Sons, Upper Darby, with interment at the Birmingham-Lafayette Cemetery, near West Chester, Pa.

Mr. McClure, an erecting engineer, was an active member of the Manoa Athletic Association, the Country Club and the Order. He was presented [illegible] vilian citation by Manoa 667 of the American st November.

Bureau Of Weights And Measures Inspects Gas And Oil Pumps

The Bureau of Weights and Measures, operated under the jurisdiction of Montgomery County Commissioners Fred C. Peters, Foster C. Hillegass and Raymond K. Mensch, has been busily engaged in checking gas and oil pumps at gasoline service stations to make sure, in these days of rationed gas and shortages, that the motorists get full measure.

During June, 456 gas pumps were checked by William H. Jones, chief sealer of the Bureau and his deputies. Of this number 24, or 5 percent, were found to be incorrect and were condemned until repairs or adjustments were made whereupon the Bureau re-checked the pumps.

In addition, 499 oil pumps were checked, 20 or 4 percent, being found incorrect. Also checked were 3420 oil bottles and 415 liquid measures. Of the former, 46 or 1 percent were condemned while 14 or 3 percent of the latter were found incorrect and condemned.

Because of the gasoline shortages, representatives of the Bureau have been obliged to make many trips to the gas stations, both early in the morning and late at night, in order to make the necessary tests.

During the past month, a total of 177,063 weighing and measuring devices were tested, according to Chief Sealer Jones' report. Of this number, 365 were found incorrect and condemned until placed in proper shape. One hundred and ninety devices were adjusted on the spot by the Bureau representatives.

Packages, baskets, boxes, bags and cans in retail stores accounted for 161,928 items inspected, of which 365 were found incorrect and condemned. A total of 190 items were adjusted on the spot.

Representatives of the County Bureau are equipped with five-gallon testing devices to use in checking gas pumps as well as a complete set of weights and a 50 pound weight. All weights used by the Bureau are checked every year by the State Department of Internal Affairs' Bureau of Weights and Measures at Harrisburg.

Thirty-three percent of the coal trucks, chiefly those operated by independent operators from outside of the County, were found to be incorrect in the weights of their loads. This accounted for 21 trucks out of 64.

Other items tested included 98 platform scales, of which 54 were condemned as incorrect; 58 counter scales, all of which were satisfactory; 68 spring balances, of which 32 were adjusted on the spot; 20 beam scales, of which three were adjusted; 112 computing scales, of which nine were condemned and 14 adjusted. One prescription scale was tested and found correct.

In addition to Chief Sealer Jones, other representatives of the Bureau are Norman John, First Deputy; B. Harrison Springer, Second Deputy; Lloyd Johnson, Franklin P. Kromer and Edwin Winner, assistants.

May Use Devon Cottage For Police Dependents

Officials of the Lower Merion Police Pension Fund Association are still trying to decide what they will do with the Devon Horse Show cottage.

That the Association had won the cottage was announced last Sunday.

Several officials are in favor of keeping the cottage as a home for police dependents who are entitled to assistance from the Association. Others want to place it on the real estate market.

Careless use, causing damage and finally discard of electric appliances, isn't part of Uncle Sam's Scrap Campaign. On the contrary, they should be handled with "kid gloves" for the duration. Here's the best way to take care of me and other electric cleaners:

Empty bag every time cleaner is used. Keep brush free of hair and threads. Avoid running cleaner over pins, nails or other metal objects. Clean brushes, wipe off attachments after using. Follow manufacturer's directions for cleaning and oiling.

Mary E. Bailey, Donald A. Brown Wed Saturday

Sister Was Matron Of Honor For Narberth Girl

Mrs. W. John Mansfield, Jr., of Merion, was matron of honor at the marriage of her sister, Miss Mary Eileen Bailey, daughter of Mr. and Mrs. Julius A. Bailey, Jr. Merion and Essex avs., Narberth, and Corporal Donald Arthur Brown, son of Mr. and Mrs. Alfred S. Brown of Eaglesville, Conn.

The marriage took place in the rectory of St. Margaret's Church, Narberth, on Saturday afternoon and was followed by a reception at the home of the bride's parents.

The bride, who was given in marriage by her father, wore her sister's wedding gown of white moire taffeta, fashioned with a v-neck, long sleeves puffed at the shoulders and a full skirt ending in a short train. Her fingertip-length veil was held by a cap of net, and she carried a bouquet of white water lilies and ivy with a white orchid in the center.

Mrs. Mansfield and the maid of honor, Miss Martha May MacNair of Merion, wore gowns of aquamarine taffeta with tiaras of flowers in their hair and short veils of matching tulle. They carried pink water lilies tied with pink ribbon.

Mr. Richard Venne, of Milwaukee, Wis., acted as best man.

Letters To The Editor . . . .

Dear Sir:

As a resident of Narberth, I would like to express my appreciation to the Narberth Business Council, Walter G. Case, president, for the splendid civic spirit displayed July Fourth at our Narberth Day celebration.

There was a tremendous amount of work connected with this, and through Mr. Case and our Business Council, assisted by the women's organizations and the women's departments of the churches, a very successful day was established which I hope will be continued each year.

It was a pleasure to work for and with Mr. Case and his able assistants, and may I add a thank you for the support given by the wom-

Give Up Coke Hr. Sub-Debs Advised

A suggestion that many of the sub-debs could well postpone their chit-chats and devote their "coke hours" to war work came from the Main Line Red Cross this week.

"Vacation time is the perfect time," read the Red Cross suggestion," to organize a Junior Red Cross group. Teachers or older women who are interested can gather together a congenial crowd. The coke hour (or couple of hours) can be turned into important work rather than mere sub-deb chit-chat. Mrs. Walter Franklin, for example, has started a First Aid class, meeting at her house twice a week. There's plenty of opportunity for more groups to do still more work under competent senior guidance."

For the first time in the history of the Junior Red Cross, the January to June report closed with the statement that all of the 27 schools in this district were members. Under the direction of teachers, mothers and other women, all members are playing vital roles in volunteer war work.

Mrs. E. S. Rockefeller, Merion, has been instrumental in enlisting girls of school age who have made contributions.

They collected $1,373.26 during the Red Cross Roll Call and War Drive which followed brought in $1,918.50.

Since the first of January these same Junior Red Cross members have made and distributed over 4000 articles. Many of them are useful pieces of clothing salvaged from cast-off and worn-out garments. When the drive for comfort kits for men who were going over seas, was in progress, they filled 80 and collected $80 for as many more.

Seventeen Home Nursing courses were completed, 18 Standard First Aid Courses were finished, and 17 Junior First Aid.

Since schools have closed, a new program has been set up at Bryn Mawr Hospital. Six days a week two girls are on duty every morning and two other girls every afternoon to act as messengers and "Junior Nurses' Aides" under the direction of the directress of nurses.

Consumer Committee To Canvass Retailers

Members of the Consumers Interest Committee of the Lower Merion Defense Council, assisted by other volunteer groups, are devoting particular attention this week to the all-Township canvas of retailers to provide them with information and OPA bulletins on the Maximum Price Control Law and to assist them in posting their ceiling prices as required by the OPA.

The next meeting of the Committee will be July 16, when the Township canvas will be reviewed and any additional inquiries will be received.

List Rules for Gas Registration

Vacationers Outside Rationed Area May Register on Return

Persons who are on vacation at the time of registration for gasoline coupon books this Thursday, Friday and Saturday may register for basic rations at any registration site in the rationed area, according to an announcement by A. B. Detwiler Chairman of the Montgomery County War Price and Rationing Board.

Registration on these dates for basic rations, Book A, for passenger cars and Book D for motorcycles will be held at the same places, on the whole, in Montgomery County as were used for the first gasoline registration May 12, 13, and 14. Extra trouble and confusion will be avoided, Mr. Detwiler pointed out, if persons will register as far as possible at the registration place in their home community.

Persons vacationing outside of the rationed area, who return after the registration period, will still be able to register at the nearest local War Price and Rationing Board upon entering the rationed area.

Those who will require allotments of gasoline in excess of the amount to be allowed them by the basic ration are advised by Mr. Detwiler to request an application for supplemental ration (Form R-535) at the time of registration. This application should be completed and mailed to the local Board which has jurisdiction over the area where the car is normally garaged.

Bala - Cynwyd Red Cross

Call from the War Department

The War Department must have 25 million surgical dressings by August 31. This demand has been received by the National Red Cross and passed along to each chapter in the United States. It is a call that must be answered. To do so means that each branch must double or triple its output during the next few weeks. Women who have given one day each week to making surgical dressings must give two or three.

Women who have not yet enrolled for this work are urgently needed, even if they can spare only an hour or two.

Our men must be supplied with bandages when they are needed. Our women must not fail them.

The Bala-Cynwyd Red Cross headquarters, at Montgomery av. and Conshohocken State rds., will be open from 10 a.m. to 5 p.m. Monday to Friday inclusive, and, if the demand is sufficient, will be open also on Saturday.

Siren Surprises Mrs. Lincoln — The Fire Was at Her House

Sitting on her front porch, Mrs. George Lincoln was feeling very safe and contented when she heard the fire siren blow.

It is too bad, she thought, but at least my home isn't burning.

But Mrs. Lincoln changed her mind when the fire apparatus from the Bala-Cynwyd fire company came to a stop in front of her home at 122 Derwen rd.

Many valuable antiques were saved when firemen carried out her furniture. Rubber sheeting spread about inside prevented water and smoke damage to other furnishings.

During the fire Mrs. Lincoln was burned on the arm and she was given first aid treatment at the home of a neighbor, Mrs. J. Daley.

For the present Mrs. Lincoln will stay with another neighbor, Mrs. J. Snyder, until the damage to her home is repaired.

Baseball Race Tightens As Manoa Ties For Lead And Collegians Win Two

It's now anybody's race in the Main Line Baseball League.

The race tightened into a knot over the week-end with Gladwyne unexpectedly hitting the skids for a double defeat and the scrappy Manoa nine and surprising Irvin Collegians sweeping their games to pull in the slack.

So today we find Gladwyne, pacesetter from the first game, grudgingly sharing first place with Manoa, and Narberth just a game off the pace in third place and the Collegians but a game behind the boroughites.

Getting superb pitching, timely batting and looking more like champions than at any time previously, Manoa's 1941 titlists stole the spotlight by the neat manner in which it polished off both Gladwyne and Narberth in moving into a deadlock for the lead.

Walt Cantwell, veteran right hander from Chester who has more than filled the shoes of Millard Robinson, outpitched Bill O'Donnell, Gladwyne star, as Manoa nosed out the Keyne's, 4-0, on Saturday.

Then Bob Allison came through with another neat pitching performance to give Manoa a 6-2 triumph over Narberth on Sunday. Both games were played at Manoa before large crowds.

Narberth defeated Brookline, 10-3, on Saturday for an even break in its weekend games.

Taking advantage of seven straight bases on balls, the Collegians scored eight runs in the ninth inning to defeat Gladwyne 8-2 on Sunday for their fourth victory in five games. They routed Overbrook, 12-1, on Saturday.

The Collegians and Manoa unquestionably are the hottest teams in the loop at the moment so their meeting Saturday at Manoa figures to be one of the features of the week-end. Narberth invades Gladwyne on Sunday in the other headliner. Narberth entertains Overbrook and Brookline visits Gladwyne on Saturday. Overbrook goes to Manoa and Brookline and the Collegians in the other Sunday games.

The Manoa-Gladwyne struggle on Independence Day produced the year's best hurling duel. Cantwell set down Gladwyne with just two hits, a double and home run, to drive in two runs and tote across the other two markers in person.

Boyle also contributed a double in a third inning uprising which gave Manoa a 3-0 lead over Narberth on Sunday. These runs were enough to win as Allison allowed only six hits and didn't give Narberth a run until the eighth. John Rorer, former Ardmore hurler making his debut in Narberth togs was the losing pitcher, being tagged for 11 hits.

Going into the ninth with a 2-0 lead and having allowed only three hits up to that time, Ray Persutti, Gladwyne hurler, suddenly lost his stuff and Al Signorelli, suffering from a sore arm, was unequal to the rescue job, walking two batters before Duffy finally took over and got the side out. By that time the Irishmen had eight runs and the ball game.

Frank Carter, Drexel pitcher, tallied his second victory in the league as the Collegians massacred Overbrook on Saturday. He was never in danger as his mates collected 18 hits and ran up a 9-1 lead in the first three innings.

Narberth strafed three Brooklin hurlers for 16 hits, Cotton and Potts getting three each, in its Fourth of July triumph. Al Herrmann did the twirling, blanking the Brooks after giving up three runs in the first inning. Narberth sewed up the game with a five-run first inning barrage.

Eyewitness To Describe Pearl Harbor Bombing

Mrs. Marie Hamilton, an eyewitness of the bombing of Pearl Harbor on December 7, will tell of her experiences at a meeting on Friday, July 10, at 8 p.m., in the Haverford High School Auditorium.

The Observers of the Aircraft Warning Service are sponsoring the meeting.

Members of the other Defense organizations in the Township are invited to attend.

CALLING THE TURN

If Manoa should happen to retain its Main Line Baseball League pennant, it will be comparatively simple to look back and determine just when the team was 'made.'

Ever since Bob Allison and his teammates got together and decided to play for fun instead of shekles there has been a noticeable change in the team.

A surprising team spirit has been generated, the old college try being very much in evidence in last week's games. The players are showing lots of dash, hustling for all their worth. Unquestionably they have their heart in the team and are enjoying themselves immensely.

This attitude has produced heads up baseball, has given Manoa three straight victories and has lifted it into a tie for first place. A team with such spirit is going to be tough to stop.

* * *

KEPT CLUB IN LEAGUE

Manoa started the season with one of the heaviest payrolls in the league. Due to attendance not being up to par, the club soon fell heavily into the red and if the players hadn't made their unselfish decision Manoa couldn't be in the league today.

According to Manager Frank Matthew, none of the players is guaranteed any cash except the pitcher and he only gets his when there is a profit on a game. All the other players share evenly whenever there is a profit.

This setup has cost Manoa a few stars such as the heavy hitting Harry Morris, who has been able to command a tidy sum with Limeport in the East Penn League, but such youngsters as Jack Miller, Bunny Henderson and Dave McKay have filled in admirably and have given Manoa much needed fire and dash.

Officers of the league long have been urging managers to use more youngsters and have suggested amateur ball as cures for some of the league's ills.

Manoa's experience and the play of the surprising Irvin Collegians, who are definitely in the league for the fun of it, could be taken as an indication that the officials, for once, are right.

PHILLY DISGRACED

When only a handful of fans turned out for an Army-Navy relief baseball game between the Phils and Pittsburgh Pirates in the Quaker City recently the general reaction was that Philadelphia had been disgraced in the eyes of the nation.

It is to be hoped that Main Line fans won't be as apathetic toward the Navy Relief game between the Main Line League All-Stars and the U. S. Marines of the Philadelphia Navy Yard at Narberth next Friday, July 17, and the Army Relief game between the all-stars and Fort Dix at Manoa on Tuesday, July 28.

Those who defended the poor attendance at the Phils' game claimed it was do to lack of an attraction. That no matter how worthy the cause baseball fans just wouldn't turn out unless they were promised a red hot ball game.

Local fans surely won't be able to kick about lack of attractions for the local Army-Navy relief games. Both service teams are considered tops in the East.

* * *

MARINES ARE TOUGH

The U. S. Marines have defeated about every leading semi-pro team in the Philadelphia area. They've won something like 33 games and lost but eight.

Two of the Marines—Bob Baker and Sam Blofstein, pitchers, are former Main Line Leaguers. Charles Ziober, third baseman, played with Newark in the International League; Pitcher Conrad Eells from the Pacific Coast League; Outfielder Supernowicz from the Cotton States League, etc. The leathernecks have any number of good minor leaguers in their cast.

Fort Dix has an even more talented cast, headed by Jack Wallaesa, of the A's. The soldier nine, coached by Art Blaker, former Friends Central athlete and Camden High coach, had won 16 straight before encountering the Athletics last Wednesday.

Both service teams can be counted upon to furnish formidable opposition to the strongest lineup available in the Main Line League. In fact, the local boys will have to be at their best if they hope to win.

Every penny from the two games will be turned over to the service relief funds, so if you can't attend the game the least you can do is to buy a ticket and uphold the Main Line's sports prestige. We've always believed the Philadelphia fans let down the Army and Navy in the Phils' game. Surely the Main Line sports follower won't do likewise!

Lesson- Sermon

"Sacrament" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 12. The Golden Text is: "Let a man examine himself, and so let him eat of that bread, and drink of that cup" (I Corinthians 11:28).

None 'Too Promising' Says Anderson About Coaching Bid From Yale

Of all the mythical offers that were supposed to have been laid at the feet of Lower Merion's famous basketball coach, William "Bill" Anderson, it was admitted at his home yesterday that he had his bid in for the head coaching position at Yale University.

Anderson has left for Camp Wabun, his Summer boys' camp in Ontario, Canada, but before he did he went to New Haven, Conn., for an interview with Eli sports officials.

At his home his son, William, Jr., said his father went to Yale on Friday and appeared interested. The Lower Merion coach, noted for his gloom and lack of optimism, left no inkling that the deal was closed. In fact, he told his son that it didn't look "too promising" because there were "two other good men in line."

It is understood the man who has first claim to top coaching position is Red Rolfe, third baseman for the New York Yankees. Rolfe is now assistant coach at the University and would be head man for both basketball and baseball if he is selected.

If Anderson should go to Yale Gendall Reeves, his assistant and a boy whom he coached at Lafayette, is believed in line for head coach with Ed. White as assistant coach.

Also an able coach who might come into the picture is Jack Hinchey, who has been coaching at Glen Nor High School and was on one of Anderson's championship teams when he attended Lower Merion High. Hinchey's resignation from the Glen Nor position was announced yesterday although in last season's tussle in which Lower Merion won its third State crown, Hinchey brought his team up to the top in the Suburban 4 League playoff. He hopes to continue coaching but in the [illegible] time will work in a defense [illegible]

At Lower Merion, Anderson [illegible] up one of the greatest coaching [illegible] ords in the country. Since 1927 [illegible] teams won 12 league titles, ten District 1 championships and three State crowns. On three other occasions, Lower Merion finished runner-up for the State honors.
